

How To Use Credit and Debit Cards on **Rarible.com**

How To Purchase an NFT with Credit Card on **Rarible.com**

To purchase and store your NFTs you will need an ERC20 crypto wallet. Below explains how to download and install the MetaMask wallet & how to fund your wallet with ETH using a credit card to purchase your NFT.

STEP 1: Add the MetaMask extension to Chrome Web Browser

Visit Chrome Web Store and search MetaMask to add the extension to your browser.

Click on the "add to Chrome" button.

STEP 1.1: Get Started

After you've added the MetaMask extension to your browser, click on the "get started" button to start setting up your wallet.

Welcome to MetaMask

Connecting you to Ethereum and the Decentralized
Web.

We're happy to see you.

Get Started

STEP 2: Click on the "create a wallet" button

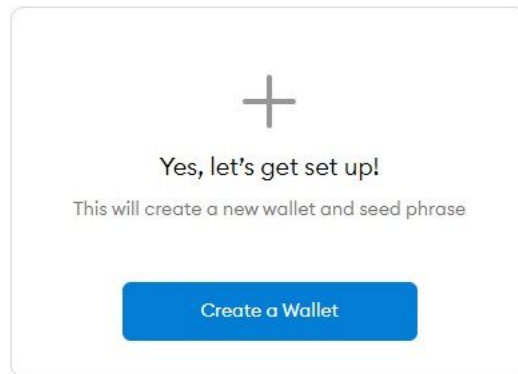

To create your first MetaMask wallet, click on the "create a wallet" button.

If you have another wallet, you can import it into MetaMask too.

New to MetaMask?

The screenshot shows the 'Import wallet' option. At the top, there is a downward-pointing arrow icon. Below it, the text reads 'No, I already have a seed phrase' and 'Import your existing wallet using a 12 word seed phrase'. At the bottom, there is a blue button labeled 'Import wallet'.

The screenshot shows the 'Create a Wallet' option. At the top, there is a plus sign icon. Below it, the text reads 'Yes, let's get set up!' and 'This will create a new wallet and seed phrase'. At the bottom, there is a blue button labeled 'Create a Wallet'.

STEP 3: Agree or disagree to anonymized data collection

MetaMask wants to collect some anonymized data to improve the wallet. You can agree to it or click on the "no thanks" button depending on your preference.

Help Us Improve MetaMask

MetaMask would like to gather usage data to better understand how our users interact with the extension. This data will be used to continually improve the usability and user experience of our product and the Ethereum ecosystem.

MetaMask will..

- ✓ Always allow you to opt-out via Settings
- ✓ Send anonymized click & pageview events
- ✗ **Never** collect keys, addresses, transactions, balances, hashes, or any personal information
- ✗ **Never** collect your full IP address
- ✗ **Never** sell data for profit. Ever!

No Thanks

I Agree

STEP 4: Choose a password for your MetaMask wallet

In this step, you should choose a secure password for your MetaMask account. This is not your private key or seed phrase.

You will use this password to log in to your MetaMask wallet. If you forget the password, you can import your wallet using the seed phrase that will be shown in the next step.

STEP 5: Back up your seed phrase

Reveal your secret words (backup phrase) and write it down on a piece of paper. You can also store your backup phrase in a USB flash drive, preferably after encrypting it.

The security of your backup phrase must be of the utmost importance. Anyone who has access to your backup phrase can transfer your coins to different wallets.

METAMASK

Secret Backup Phrase

Your secret backup phrase makes it easy to back up and restore your account.

WARNING: Never disclose your backup phrase. Anyone with this phrase can take your Ether forever.

CLICK HERE TO REVEAL SECRET WORDS

Remind me later

Next

Tips:

Store this phrase in a password manager like 1Password.

Write this phrase on a piece of paper and store in a secure location. If you want even more security, write it down on multiple pieces of paper and store each in 2 - 3 different locations.

Memorize this phrase.

[Download this Secret Backup Phrase and keep it stored safely on an external encrypted hard drive or storage medium.](#)

STEP 7: All Done

After confirming your backup phrase, you're all done! Read the tips on safety and click on the "all done" button start using your MetaMask wallet.

Congratulations

You passed the test - keep your seedphrase safe, it's your responsibility!

Tips on storing it safely

- Save a backup in multiple places.
- Never share the phrase with anyone.
- Be careful of phishing! MetaMask will never spontaneously ask for your seed phrase.
- If you need to back up your seed phrase again, you can find it in Settings -> Security.
- If you ever have questions or see something fishy, email support@metamask.io.

*MetaMask cannot recover your seedphrase. [Learn more.](#)

All Done

STEP 13.1: Placing A Bid For A Non-fungible Token On Rarible

After clicking the "place a bid" button, you'll be required to go through three steps via your MetaMask wallet, which will incur Ethereum gas fees.

Your ETH will be converted into WETH (Wrapped Ether) and you will be ready to go.

How To Purchase an NFT with Credit Card on **Rarible.com**

Rarible Fees

The fee on Rarible is 2.5%. If you want to buy a collectible for 1 ETH, you need to pay 1.025 ETH.

So Rarible takes a 5% fee in total from each sale as the fee is charged from both sellers and buyers.

For more information on the Rarible fees, visit <https://raribleanalytics.com/>
